

ATTESTATION OF CONFORMITY

QP-22-01-13-01

Pursuant to supervision agreement QP-18-01-23-01 of 23 January 2018, order number 2117273, this certificate is valid for the products

Particleboard according to EN 312 / type P2

(Particleboard for non-structural purposes for use in humid conditions)

Nominal thickness range: 6 mm – 32 mm

manufactured by

Sonae Arauco South Africa (Pty) Ltd

at its manufacturing site

**Heidelberg Rd 1240 Rocky Drift,
White River (Mpumalanga)
South Africa**

This certificate confirms, that the manufacturer applies a factory production control for the determination of formaldehyde content according to EN 120 (ISO 12460-5), biannually monitored by supervision and certification body

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24
01217 Dresden, Germany

based on supervision agreement no. QP-18-01-23-01, including test of samples from the manufacturing site at the EPH test laboratory.

As a result of the supervision conducted on 30 November 2021 and on the basis of the supervision report 2021/02 of 13 January 2022 it is hereby confirmed, that above mentioned products fulfil the requirements of formaldehyde emission class **E1** according to EN 13986.

Thus the conditions for the validity of the certificate QP-21-01-22-01 for the monitoring period of November 2021 to April 2022 are still given and remains valid as long as the mentioned test procedures and/or requirements of factory production control for the determination of formaldehyde emission are unchanged and the product and manufacturing conditions in the plant are not changed significantly, unless the certificate was suspended or withdrawn by the product certification body.

Dresden, 13 January 2022
